The future is easy  
if you skip the war

Ich fühl mich etwas schuldig,  
ich hab's dir nie erzählt.

Und als ich's wollte,  
hab ich mich verwählt.

2000. A. KRISTIAN

Cracks in my comfort zone  
gradually tightening  
the trauma queen inside

Many thanks to  
Thomas Braun & Marcel Sude!

Thanks to our label boss Nika Jonsson

Thanks for the wonderful lyrics: Christoph Endres, Erika Labinsky, Karsten Ries, Natalie Kielbassa, The Autumn Art Festival & The King of the Bees

While all the things fall into place  
You feel like you're from outer space

Plans  
Duties  
Dates  
Obligations  
Short terms  
Tired sperms  
- Driving you insane

There's a bird in the garden  
flying me to your room

My house still waiting  
with no door
